Dear Customer

**Discontinuation of Phosphate Buffered Saline 20 litre (3057).**

We have been informed by our supplier that they have discontinued this product.

Could we ask you to amend your files to reflect these changes?

Currently we have **15** 3057 (20L) remaining in stock, so if you wish to stock up please order as soon as possible. Once they are gone, there will be no further availability on this size.

We will continue to stock the 12 litre Phosphate Buffered Saline (Order code 3058).

Thank you for your support and understanding. Should you have any queries, then please do not hesitate to contact us.

Kind Regards
